Timeline

2

YEAR 9

During year 9 students will be introduced to the careers and enterprise co-ordinator.

3

YEAR 10

Students and guardians should explore different pathways visiting any they feel are appropriate. Students will have meeting with the careers and Enterprise co-ordinator to create a Beyond Baskerville action plan.

4

YEAR 11 AUTUMN

At the start of year 11, guardians must fill in SENAR post 16 preference form. This must be completed even if students plan on staying at Baskerville. Depending on provision you may need to apply to the colleges directly. Preferences should also be stated at EHCP review.

Day Provisions

Day provisions offer person centred programmes to people with disabilities that are focussed on delivering engaging activities based on the individual need with the intention of improving daily living skills and increasing confidence.

These centres are based in the community and work closely with the families to devise a plan that is right for their young person and are an alternative to college. There are a number across the region. You can access a list of providers [here](#).

Process of applying to a day provision

Funding for Day centre provision will be from social services or the NHS.

A social worker or community nurse needs to be allocated to the young person so that they can make an application for funding on their behalf.

A social care assessment can be requested through the local authority website. The link to the Birmingham LA is below.

Destination Data

At Baskerville, we celebrate our former students' journeys as they grow Beyond Baskerville. Each leaver follows a unique path aligned with their aspirations. Here's a look at the diverse pathways pursued by our leavers in the last academic year:

Overall KS4 Destinations 23/24

For our year 11 students many continued here at Baskerville in one of three routes:

- *Continued on our Sherwood provision.*
- *Continued on to our Ennerdale (KS5) provision focusing on vocational courses and employability.*
- *Moved to our Bournville provision at South and City College Birmingham.*

We also had students in year 11 move on to other provisions including:

- Solihull College
- SCCB Fusion

We are a school where individuals are valued and helped to achieve their personal best. Our holistic, aspirational approach to education enables our students to make a full and positive contribution to school and community and fully prepares them for future enjoyment and fulfilment.
