

Willow is an 8-year-old Labrador.

Labradors are intelligent dogs and can be trained quite easily; their naturally loving nature and playful attitude make them a good choice for emotional support or therapy dogs.

Who does she live with? Willow lives with Mr Lacey and will come to Baskerville on a Monday, Tuesday and Wednesday to be a school dog.

When Willow is at school she is based with Judy and Steve in the Site Managers office

What does she like doing?

Willow is a quick learner. She can climb stairs, give her paw and sit on command.

Who is her best friend?

Willow's best friend is Brian; he is a 4-year-old cocker spaniel dog, and she loves to chase him and play games with him.

What does she like?

Willow loves playing with dog toys but most of all she loves food.

Will Willow like you?

Willow loves almost everyone.. If you are kind to her, she will be kind to you.

Remember

- Remain calm around Willow.
- Don't make any sudden movements around Willow.
- Don't put your face near Willow.
- Always approach Willow standing up.
- Never go near or disturb Willow when she's sleeping or eating.
- Don't pet her without permission.
- Don't pick her up.
- Never feed her.
- Don't shout loudly, at her or near her.

Willow will:

- Attend Baskerville twice a week.
- Support children.
- Be a best friend.
