Beyond Baskerville Event

Our **Beyond Baskerville event** was a great success, bringing together a fantastic range of colleges, adult services, charities, and day centres to support our students and their families. It was wonderful to see so many parents, carers, and students engaging with organisations and exploring opportunities for the future. The event provided valuable insights, sparked important conversations, and helped build connections to support life beyond Baskerville. We'd like to thank all the organisations who attended and everyone who took part in making the day so impactful. To help us make future events even better, we'd love your feedback. Whether you attended or couldn't make it this time, please take a moment to complete our [short questionnaire](#). Your input is invaluable in helping us shape future events and provide the best possible support for our families. **Paul Carbery, Careers and Enterprise Co-ordinator.**
