

PARENT NEWSLETTER 14

Friday 9th May 2025

Vision Statement

To enable every individual regardless of the challenges they face to achieve their full potential and prepare them for a happy and fulfilled future life.

Our Core Values

RESPECT

Everyone at Baskerville School is encouraged to respect themselves, one another, and their environment.

RESILIENCE

Everyone at Baskerville school is supported to adapt to difficult situations that can't be changed and to develop the skills needed to manage stressful situations.

KINDNESS

Everyone at Baskerville School is encouraged to show kindness in their everyday actions, supporting one another and considering others wants/needs.

ASPIRATION/ HOPE

Everyone is encouraged to cherish a desire to achieve more to make their lives happier and more fulfilled.

INDEPENDENCE

Everyone at Baskerville School is encouraged to develop their skills and knowledge to be as independent as possible throughout their lives. Everyone is encouraged to find creative solutions to problems and be an active participant in their learning.

Message from the Headteacher- Mr. Lacey

Year 9 Transition Evening - Windsor School

We're excited to welcome families to our second Year 9 Transition Evening at Windsor School on Tuesday, May 13th at 5:00 pm. This essential event is specifically designed for families of students joining us in September and will provide opportunities to learn about our specialised provision, tour our facilities, understand how we integrate with the wider school, and ask questions about the transition process. Students are encouraged to attend to help familiarise themselves with their future environment, as we recognise that school transitions can be particularly challenging for our pupils. Light refreshments will be provided, and we're happy to accommodate any dietary requirements or accessibility needs. We look forward to meeting you and addressing your specific questions to ensure a smooth transition for your child.

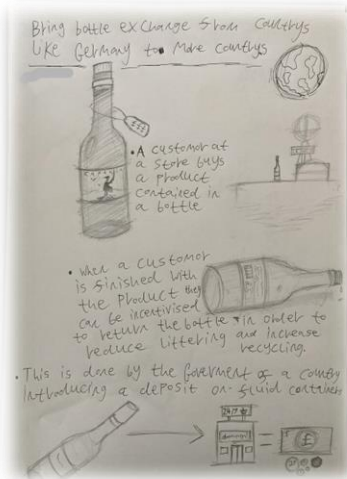

Key Events

- **Parent communication meeting: Tuesday 20th May 2pm at Baskerville.**
- **Half-Term: Monday 26th-Friday 30th May.**

Breaking News

Students from Bats recently enjoyed an inspiring trip to Energy Systems Catapult, where they explored how innovation is helping shape a greener, more sustainable future. They explored the Birmingham office, learned about smart energy technologies, discovered exciting career paths in the energy sector and came up with their own energy solutions.

Last week, the first group of students took part in a transition visit to South and City College Birmingham. They enjoyed meeting staff, exploring the campus, and getting a feel for college life. These visits are a key part of helping students prepare for the future—building confidence, independence, and awareness of post-16 options. More groups will be attending in the coming weeks.

One of our KS5 students proudly took part in an art exhibition at Allens Cross last week, showcasing work created during his weekly art classes. The exhibition celebrated local talent, and it was a fantastic opportunity for Caleb to share his creativity with the wider community. **Well done on this wonderful achievement!**

Attendance

Please see class attendance percentages below.

W/C 31/3/25

W/C 7/4/25

Hedgehogs	100	Hedgehogs	97.1
Rabbits	92	Rabbits	94
